OFFICE HOURS

Monday - Friday
8:30am – 10:50am
11:00am – 12.10 noon
12:40pm – 3:30pm
Welcome to Illawarra Primary School

Illawarra Primary School opened in 1981.
The school is set in attractive shady grounds with excellent recreation and sporting facilities and is a focal point of the community with recreation and parkland areas nearby. At Illawarra Primary School we cater for children from Kindergarten to Year 6.
The school experiences a low turnover of staff and prides itself on its customer focus and its friendly and supportive ethos. The students exhibit a high standard of behaviour and are expected to wear school uniform every day. The school’s enrolment currently stands at 350 students, many of whom come from outside the school’s boundaries due to its excellent reputation in the local community.
In 2015 Illawarra Primary School will became an Independent Public School.
We thank you for entrusting your child to our care and for giving us the privilege of sharing with you the responsibility of furthering his/her education.
We view education as a cooperative venture in which parents, as well as the school, play a significant role. We trust that by working together we may cater for the individual needs and abilities of each child, allowing him/her to develop physically, socially and intellectually in a happy atmosphere of co-operation between parents, teachers and children.
We further hope that this will lay the foundations for a successful education, which will serve your child well in his/her future life.
We welcome your child and look forward to a happy association with you in the coming years.

Priorities

Mission Statement
To provide a pleasant learning environment in which students will be able to fulfil their potential in all areas – academic, social, physical, creative and achieve a sense of purpose and self-worth in a changing society.

2016

1. Whole School Literacy, in particular writing, grammar and explicit instruction
2. Numeracy (Mathematics) and explicit instruction
3. Emotional Regulation
4. Whole School Manners
5. Humanities and Social Sciences
Overarching Learning Outcomes

1. Students use language to understand, develop and communicate ideas and information and interact with others.

2. Students select, integrate and apply numerical and spatial concepts and techniques.

3. Students recognise when and what information is needed, locate and obtain it from a range of sources and evaluate, use and share it with others.

4. Students select, use and adapt technologies.

5. Students describe and reason about patterns, structures and relationships in order to understand, interpret, justify and make predictions.

6. Students visualise consequences, think laterally, recognise opportunity and potential and are prepared to test options.

7. Students understand and appreciate the physical, biological and technological world and have the knowledge and skills to make decisions in relation to it.

8. Students understand their cultural, geographical and historical contexts and have the knowledge, skills and values necessary for active participation in life in Australia.

9. Students interact with people and cultures other than their own and are equipped to contribute to the global community.

10. Students participate in creative activity of their own and engage with the artistic, cultural and intellectual work of others.

11. Students value and implement practices that promote personal growth and well being.

12. Students are self motivated and confident in their approach to learning and are able to work independently and collaboratively.

13. Students recognise that everyone has the right to feel valued and be safe, and, in this regard, understand their rights and obligations and behave responsibly.
General Information

School Times

Primary and Pre Primary

8:40am  School commences
10:40am – 11:00am  Morning recess
12:10pm – 12:50pm  Lunch
2.52pm  School dismissed

Kindergarten

8:45am – 2:45pm

The Kindergarten program is a 2 week roster:

K1  Wk 1: Monday Wednesday & Friday   Wk 2: Monday & Wednesday,
K2-K/P  Wk 1: Tuesday & Thursday       Wk 2:  Tuesday, Thursday & Friday

K/P hours are the same as Pre – Primary 8.40am – 2.52pm

Any variations to the above times for special purposes such as excursions will be notified through the school newsletter.

CHILDREN SHOULD NOT BE AT SCHOOL BEFORE 8:25am AS SUPERVISION CANNOT BE PROVIDED BEFORE THIS TIME.

PUNCTUALITY

Parents should ensure that children arrive at school in plenty of time prior to the 8:40am siren. Students arriving after the school siren need to report to the office to collect a Late Note. At the conclusion of the school day children should vacate the school premises promptly. Please note that the school is enclosed by security fencing and all gates are locked by 5.30pm. Anyone still on the premises after this time, without a key, runs the risk of being locked in.

LEGAL RESPONSIBILITY

The Principal is responsible for the welfare of the children in the school from the time they reach school in the morning until they leave in the afternoon. Therefore NO child can go home unattended before the designated closing time of the school unless the child has a written note from a parent and/or permission from the Principal or Deputy Principals. Children will not be permitted to go to the shops during school hours unless a parent requests this in writing.

Parents/Guardians who wish to take their child/ren out of school during the school day MUST report to the school office before collecting their child/ren so that the children can be signed out into the parent/guardian’s care.

If parent/guardians are bringing their child to school after the siren at the start of school they MUST report to the office and obtain a Late Note from the Deputy Principals.
TERM DATES FOR STUDENTS 2016

Semester One:
Term One  Monday 1st February – Thursday 8th April
Term Two  Tuesday 26th April – Friday 1st July

Semester Two:
Term Three  Monday 16th July – Friday 23rd September
Term Four  Monday 10th October – Thursday 15th December

PROFESSIONAL LEARNING & SCHOOL DEVELOPMENT DAYS FOR STAFF 2016

Term One:
Thursday 28th January 2016
Friday 29th January 2016

Term Two:
Tuesday 26th April 2016
Tuesday 7th June 2016 (To be confirmed)

Term Three:
Monday 18th July 2016

Term Four:
Monday 10th October 2016
Friday 16th December 2016

TERM DATES FOR STUDENTS 2017*

Semester One:
Term One  Wednesday 1st February – Friday 7th April
Term Two  Monday 24th April – Friday 30th June

Semester Two:
Term Three  Monday 17th July – Friday 22nd September
Term Four  Monday 9th October – Thursday 14th December

*Preliminary dates only
Enrolment

Boundaries
Children living outside the school boundaries must submit an Application for Enrolment Form to the principal to apply to attend Illawarra Primary School. Acceptance of out of boundary enrolments is dependent upon classroom space being available at the time of enrolment. Enrolment at Illawarra PS does not automatically give these children the right of entry to Ballajura Community College. Unless they are living within that school’s zone, they will need to apply by completing an Application for Enrolment Form for that school.

Birth Certificate
A Birth Certificate, extract of Birth Entry or other proof of age such as passport or visa must be sighted before a child can be enrolled in Kindergarten, Pre-Primary or Primary school. Children from overseas must have residential status or appropriate visas before they can be accepted for enrolment. A visa must be presented at time of enrolment.

Immunisation Record
It is a Health Department requirement that the child’s Australian Childhood Immunisation Register be sighted at enrolment. Parents are urged to seek immunisation, for their children, through their own medical adviser.

Kindergarten
Illawarra Kindergarten operates on a sessional basis from Monday to Friday with children attending 15 hours a week which is rostered over a two week period. Kindergarten enrolment is voluntary and is open to children who turn 4 years of age after July 1 of the year before they are to start kindy and before June 30 of the year they start. Where there are insufficient places to cater for the number of applications for enrolment preference is given to those children who have older brothers or sisters in the school and to those living closest to the school and/or within school boundary.

Pre-Primary
Illawarra Pre-Primary is a full time centre, operating Monday to Friday. Pre-Primary enrolment is compulsory and is open to children who turn five years of age after July 1 of the year before they are to start pre-primary and before June 30 of the year they start.

Primary School
Illawarra Primary School has primary classes from Year 1 to Year 6.

High School
Most students attending Illawarra Primary will go on to Ballajura Community College, which caters for students from Year 7 to Year 12. Information will be sent home via Year 6 students during the year concerning transition to High School.

Students with Special Needs
Applications for enrolment are welcome for students with special needs. Every endeavour will be made to accommodate these students however, if we believe your child’s needs would be better accommodated at another school we will discuss this with you.

School Contributions
The School Board has endorsed the following School Contribution Policy for our school. The Board is made up of parents and staff at our school. Parents have the majority voting rights on the Board. In discussing school contributions the Board has endeavoured to take into
consideration the level of contribution to provide necessary additional student/school resources, materials and activities that will enhance our educational programs without causing undue hardship to parents. The Board will review the policy annually and parents will be advised 8 weeks before the start of the new school year of the following year’s contributions.

- The schedule of contributions for children in Kindergarten, Pre-Primary and Years 1 to 6 for 2016 is $60.00 per child.

Families can pay in full at the beginning of the year or $15 per term per child.

Note: Contributions can be paid by cheque or cash at the school office or by EFT. Please contact the school to obtain account details.

School Requirements
The school provides most of the resources that children need for their education but it is necessary for each child to provide items of a personal nature such as pens, pencils, rulers, coloured pencils and some workbooks.

Also on the requirement list are items such as an art shirt to protect clothing, and a library bag to protect books when taken home from the library.

Parents may obtain the items on their child’s requirement list from any stationery store or they may place an order through the school. Orders placed through the school will be filled by a reputable educational supplier at competitive rates. Orders are delivered to the school for collection and payment just prior to the end of the school year. Some items cannot be supplied in this way and should be bought from your local store. Items purchased through the school provide funds via a commission.

All items should be marked with the child’s name unless otherwise advised.

School Uniform and Dress Standards
All students from Kindy to year 6 are expected to wear school uniform at all times. The School Uniform and Dress Standards are determined by the School Board and School Parents and Citizens Association.

Labelling of Belongings
Please ensure that every article belonging to your child, including clothing, is marked with his/her name. Please do not put names on tags as they are easily removed, we suggest you place your child’s name on the inside of the garment.

Lost Property
Articles left at school will be placed in the Lost Property bin, which is situated in the Junior block quadrangle. Any unlabelled item unclaimed by the end of term will be transferred to the Uniform shop for processing and re-sale.

Library Bags
Each child will require a library bag so that library books can be protected and carried home safely.

The popular size for these bags is 32cm x 40cm with either a handle or drawstring. Students will not be able to borrow books from the Library if they do not have their library bag with them.

Valuable Items - Money, Toys, Jewellery etc.

The school can not take responsibility for any valuables brought to school. Damage or theft of valuables, or expensive toys does happen and children are asked not to bring such things to school.
Bicycles
Bike racks are provided at the school for children bringing bikes. Students must walk their bike in/out of the school area and it is suggested that they provide themselves with an efficient bike-locking device. The bike areas are out of bounds at all times. Any student who ignores these rules will not be permitted to bring his/her bike to school.
It is compulsory for your child to wear an approved bicycle safety helmet if he/she rides a bicycle to school.

Parking and Kiss and Drive
Parents are asked **NOT** to drive into any areas in the the school grounds to pick up or drop off children and should use the approved car parking areas in Redgum Drive or Illawarra Crescent. There is a designated “Kiss and Drive” area near the entry of the parent Carpark in Redgum Drive where parents can drive through and drop off/pick up their children. This area is supervised by volunteers from 8.20 to 8.40 am and from 2.50 to 3.15 pm on school days. Parking is not permitted in the Kiss and Drive area. Children not picked up from the Kiss and Drive Area by 3.15 pm will be supervised at the school office until they are collected. Please obey ALL parking signs on roads or risk incurring traffic fines.

Crosswalk Attendant
A Crossing Attendant is employed (by the Police Department) to assist children across Illawarra Crescent in front of the school. It is illegal to park or stop within 9 metres of the ends of the crossing islands. Please do not try to pick children up in this restricted area, as it is not only dangerous but can result in a heavy fine and loss of demerit points.
Communication

Term Planner
A diary of school events for the term is included in the Newsletter for the convenience of parents. A Term Planner is also sent home at the start of each Term.

Newsletters
A fortnightly Newsletter will be issued, normally on a Thursday. Important information including, announcements, notices regarding changes to timetables and school programs will be contained in these Newsletters, which are dated and numbered for your convenience. The school newsletter is emailed to parents as a link to the school website. A copy is displayed on the notice board outside the school office and copies are available in the office for parents without an email address.

Website
The school has its own website which can be found at www.illawarraps.wa.edu.au School newsletters are available on the website and school and other information is updated from time to time. All parents will be asked to complete a “School Publications Permission Slip” without which it will not be possible to include your child’s work or pictures on the website.

Staff Meetings
Staff meetings for teachers are conducted out of school hours. These usually take place straight after school on Tuesdays. On these days teachers will not be available to speak with parents after school.

Assemblies
Student run assemblies, conducted by each class in rotation, are held on Friday mornings at 8:40am. These assemblies feature some aspects of the children’s work and parents are most welcome to attend. The roster of assemblies will be printed in the Term Planner at the start of each Term and in the Newsletter.

Interviews
All teachers are prepared to discuss, with parents, any child’s progress or problems. We do ask, where possible, that an appointment be made at a time suitable for parents and teacher. Classroom door interviews are discouraged.

Parents are always welcome at the school whether through involvement in activities within the classroom or when wishing to find out about their children’s progress.

Issues or Concerns
If you have any issues or concerns relating to your child or the school, please advise the Principal. We are committed to providing the highest possible standard of education and care for all of our students. Please feel welcome to contact us at any time.

Absences
Department of Education regulations require an explanation for all absences from school.

Please forward a note to the class teacher when your child returns to school following an absence. These notes are filed and must be produced for the School Attendance Officer when they visit. Persistent absence or lateness without reasonable cause are referred to the School Attendance Officer.

Notification in writing is also required if a parent wishes a child to be excluded
from sport, physical education or any other program which is of a controversial nature or wishes a child to leave the school grounds (urgent reasons). Children arriving at school after the school bell are required to go to the Deputy Principal’s office and get a Late Note and provide a reason for their lateness.

Parents of all children in Pre Primary through to Year 6 will receive an SMS regarding unexplained absences. When you receive a SMS regarding an absent child please reply by SMS with details as requested. This will forward a message back into our Lesson Attendance database. To ensure that we are sending messages to the correct mobile phone number we require you to advise the school office if you have a new mobile telephone number or if you would prefer not to receive an SMS.

Medication
Students requiring daily medication will be catered for at the school. Consent forms authorising school administration staff to administer medication must be completed at the school office.

Illness and Emergency Calls
Sick children should be kept home from school. They do not cope well at school when sick and may infect others. Please note that the school does not have the facilities to cater for sick students. Minor illness or injury, occurring during the day, will normally be treated at school. In more serious emergencies every endeavour will be made to contact a parent to arrange for the child to be collected from school. In extreme emergencies the child may be taken to a medical practitioner or an ambulance may be called, before parents can be notified.

It is essential that all parents provide an up-to-date contact number on which they can be reached in the event of an emergency.

As mobile numbers change frequently please remember to update the school office with your new number.

Reports / Portfolios
Kindergarten and Pre Primary students will take home portfolios and or reports containing samples of student work in Terms 2 and 4. Year 1 to 6 students will be provided with two formal reports sent home at the end of Terms 2 and 4.

Canteen
The P&C operate a canteen in the school on Monday, Wednesday, and Friday of each school week. Menus are varied according to the season and will be circulated with the newsletter or may be obtained from the canteen. Orders for children in Kindergarten and Pre Primary need to be taken to the canteen by parents. Children in Years 1 to 6 are to order directly from the canteen before school.

The canteen can only operate with the assistance of parent helpers on a roster basis. Please contact the canteen at any time if you would like to volunteer to assist either occasionally or on a regular basis.

Parents and Citizens (P&C) Association
Illawarra has an active P&C Association, which holds meetings regularly on Monday in weeks 3 and 8 of every term at 3:00pm in the school staffroom. The main aim of the P&C is to support the school through fund raising. In recent years our P&C has raised sufficient funds to air condition all classrooms and the school library, provide funds for the stage in the undercover area, for interactive whiteboards, shade sails and outdoor seating.
School Board
The School Board comprising of 4 parents, 2 staff and the Principal is elected annually. The Board meets at least once a term to consider items of school policy and the School Development Plan. All inquiries as to the operation of this group should be addressed to the Principal or any other member of the Board.

Uniform Shop
The Illawarra P&C Uniform Shop is run on a voluntary basis by the P&C Association. Currently the Uniform Shop is open every week; please check with the front office for current opening times. Order forms are available on the schools website and can be left with the money (sealed securely in an envelope) at the office in the green letterbox.

Costume Hire
A wide range of children’s costumes are available at reasonable rates from the costume hire shop.

Please check with the school office regarding opening hours for the Costume Shop. If you wish to contact our P&C's volunteer coordinator outside of these hours, please contact them on 0412 950 462, leave a message and they will contact you as soon as possible.

School Policies

Behaviour
A high standard of behaviour is the expectation of all Illawarra Primary School students.

Violence, swearing, insolence, back answering, snide remarks or other such anti-social behaviour will not be tolerated. Participation in all school activities is expected. Students are regularly reminded of school rules and expected standards of behaviour.

A copy of our School Behaviour Plan can be found on Page 18.

Bullying Policy
The school has a comprehensive policy on bullying. Information leaflets are available on request.

Detention
The provisions of the Education Act allow teachers to detain a child after school hours for breaches of the school discipline code. As a matter of courtesy the school endeavours to contact parents to advise of detentions.

Rules
We have tried to keep the rules to a minimum and to frame them for the benefit and safety of the children. The most important rules are:-

1. We respect other people and their property.
2. We walk on the paths and in and around the buildings
3. We use sports equipment safely at the correct times.
4. We keep our school tidy and free of chewing gum.
5. We only leave the school grounds when we have permission.
6. We ride bicycles outside the school grounds.
7. We enter a classroom only when a teacher is present.
8. We wear a hat when outside.
9. We play and eat in designated areas.
10. We go straight home after school.

**Hats**

Students should ensure that they take appropriate protection from the sun when outdoors. **NO HAT – NO PLAY!** is our policy.

**Excursions/Incursions -**

**School uniform must be worn on all school outings.**

Excursions and incursions are considered an important part of the school learning program and all children are expected to participate unless expressly excluded through a written request from parents or for disciplinary reasons. The number of excursions and their cost is kept under review and they must be of proven educational value. In Terms 1, 2 and 3 we try to arrange an event in which Pre Primary to Year 6 students can participate. Kindergarten classes also arrange incursions and excursions on a regular basis.

A School Camp is held for pupils in Year 6 and forms a focal point of their social development in this year.

**Internet Use for Students**

Each student will be given their own email address that is accessed through the Department of Education’s portal. Parents and student must complete and sign the Online Usage Agreements. These forms to be completed as part of the enrolment/admission procedure.

**Homework**

Homework is set to develop organisational habits and to provide opportunities for students to practice basic skills. Parental help will be needed to establish these patterns. Homework can be another opportunity for child/parent contact. A note is required if other activities interfere with homework. Teachers set varying amounts of homework according to the child’s age. Individual class teachers will indicate homework expectations at the beginning of the school year. A copy of the School’s Homework Policy is available on request.

**Chaplaincy Program**

The school has a Chaplain. Their work is non denominational and largely pastoral care and they will be available to assist children, parents and staff with problems they may encounter or issues of concern. They will be assisting in the classroom and will be available to speak individually with children or parents. Your child can however be excluded from individual contact with the Chaplain at your request. Ask for a form at the front office to exclude your child/ren.

**Use of Confectionery as Prizes/Incentives Policy**

Classroom teachers may use wrapped confectionery in conjunction with other prizes as one of the forms of positive reinforcement in the classroom according to the Policy guidelines. Please advise the school office if you do not want your child to receive confectionary.
Hire of School Facilities
The school facilities are available for use by community organisations, through arrangements with the Principal. A hire fee is charged depending on the facilities which are used.

Book Club
Scholastic operate a book purchase scheme through the school on a regular basis. Order forms are sent home with children and must be returned with the payment for the order. This is coordinated by volunteer parent helpers.

Factions
Each child is allotted to a faction for sport and other activities. New families to the school will be advised of their child’s faction. Faction points may be awarded for activities in the classroom and around the school. The faction names were chosen with the local flora in mind.

- Hovea Blue
- Sturt Red
- Zamia Green
- Acacia Gold

Psychologist
This school has the services of a School Psychologist who visits the school on a weekly basis to help with problems of a social or emotional nature as well as learning difficulties. Parents are welcome to make contact through the school if their child is having problems of this nature.

PEAC
Primary Extension and Challenge (PEAC) program caters for academically talented children in Years 5 & 6. Year 4 children are tested to determine their eligibility. The parents of these children are responsible for transporting them to

d and from the P.E.A.C. Centre. The North East Metropolitan District Office also operates a small number of PEAC courses (called JETS) for selected children in Years 1- 4. Parents of students who are nominated by class teachers to attend these courses will be contacted.

Student Council
Elections are held at the end of the previous school year to select 6 Student Councillors for the following year. They will form the Student Council and will be coordinated by a senior staff member.

Swimming Classes In-Term
A series of 10 lessons will be held during the last term of each year for children in Years Pre primary to Year 6. Students are expected to participate in swimming classes as these are considered as part of the normal school program. The only costs involved are for transport and entry to the swimming pool.

Out of School Care
Camp Australia run an Out of School Hours Care program from the school facilities.

Enrolment forms are available from the school office or at www.campaustralia.com.au

Out of School Hours Care – Private Organisations
Information about alternate child care facilities in this area can be obtained from the City of Swan.
Infectious Diseases/Conditions

Parents are asked not to send sick children to school. We do not have the facilities to cater for such children and parents will be contacted and asked to make other arrangements for their children if this happens.

Certain contagious illnesses and infestations require children to be excluded from school. This applies particularly to Pediculosis (Head Lice) and Impetigo (School Sores). It is the responsibility of parents to treat these conditions.

Help and advice can be obtained from the school.

Some common conditions are:

- **Pediculosis (Head Lice)** – it is the responsibility of parents to check their children’s hair every week. Stand the child in the sun (or in a good light) and check the crown of the head, the nape of the neck and around the ears for nits. The nits look like small pearly grains of sand and are attached to the hairs. The lice are tiny, crawling insects. The scalp will be itchy.

  *Treatment* For the latest in Health Department advice & Treatment please visit [www.health.wa.gov.au/headlice](http://www.health.wa.gov.au/headlice) or contact the school office for a fact sheet. The child may return to school when all the live head lice have been removed. **Children must be examined by the Deputy Principal or Principal prior to being re-admitted to class.** The school has an information DVD which parents are welcome to borrow.

- **Chicken Pox** – there are only a few premonitory symptoms before the rash appears. Eruptions become clear, watery blobs which dry off to form scabs. The child is excluded from school and can only be re-admitted on a doctor’s certificate that the disease is no longer contagious or after 7 days from the onset of the disease if the child is well. Scabs are not an indication for continued exclusion from school.

- **Measles** – this disease should not be taken lightly. Red, blotchy spots on the face, hands, and other parts of the body follow an apparently bad head cold. Cases are excluded from school and re-admitted on a medical certificate of recovery or after at least 7 days from the appearance of the rash, if the child is well. Contacts are not excluded.

  *Upon enrolment parents will need to provide proof of immunisation against Measles. Parents of children who are not immunised against Measles will be contacted by the School Nurse.*

- **Mumps** – the symptoms are a swelling of the side of the neck in front of the ear. Cases are excluded from school and re-admitted on a medical certificate of recovery.

- **Ringworm** – these are circular, scaly red areas on the skin. Cases are excluded from school and re-admitted on a medical certificate stating that the child is no longer contagious.

- **Impetigo** – cases of School Sores as they are commonly called are excluded from school until effective treatment is given. The sores should be treated with an anti-bacterial cream after the scabs have been removed. Sores should be covered to prevent secondary infection.
• **Conjunctivitis** – is a common, acute, viral or bacterial infection of the eyes. Symptoms include sore, itchy eyes and discharge. It is transmitted by direct or indirect contact with secretions from infected eyes. Student should be excluded until treatment has started and discharge has ceased.

**Anaphylaxis Management**

Illawarra is committed to the health and safety of all our children including those affected by severe allergies. It is important that there is open and continued communication between parents and staff to ensure that allergies are managed effectively and that correct medication and instructions is available at all times.

All medication and Epi-Pens are stored safely in our medical room and all staff are trained in Anaphylaxis management. We also have a number of staff trained in the administration of Epi-Pens and First-Aid. All children impacted by severe allergies have a poster outlining important information which is located in the classroom and the staff room.

We encourage parents to discuss with us their child’s anaphylaxis allergies to ensure that all aspects are clear and up to date.

**Communicable Diseases**

From time to time students contract illnesses that fall into the category of ‘Notifiable’ to the WA Department of Health. These illnesses can be viral or bacterial and short term such as Chicken Pox or they can be diseases which the child may carry with them for life, such as Hepatitis B & C. If you are aware that your child is infected with a notifiable disease and you believe that it could affect their health or the health of other students or staff, can you please advise their teacher and/or the school office to ensure that illness or injury to your child is managed and treated appropriately. Please be assured that any information provided will be treated with the strictest confidence.

**Health Services**

The school nurse visits the school and checks children of particular year levels for physical development and follows up any problems that may be noted. Parents are welcome to make contact with the school nurse regarding health matters affecting their children.

**Dental Clinic**

Illawarra Primary School is serviced by a Dental Therapy Unit attached to Roseworth Primary School, 30 Stebbing Way, Girrawheen 📞 9342 4657. Appointments are normally made by the clinic. Parents are responsible for providing transport for their children to and from the clinic.

**Smoking**

Our school is a smoke free zone. Parents are asked to comply by refraining from smoking on the school site and carparks.

**Dogs**

In the interest of children’s health and safety dogs are **NOT** permitted on the school site except with prior permission from the Principal (eg for an organised class visit).

We hope that your child’s stay at Illawarra Primary School will be a happy and rewarding experience.
School Behaviour Plan

ADMINISTRATION CONSEQUENCES

Level 2

Recommendation by the Principal for students receiving continual suspensions or as a result of an extremely serious incident. An Exclusion Review Panel is formed to review the school’s exclusion application. Incident is formally recorded on school and department systems.

For continual unacceptable or serious breaches of behaviour. Out of School suspension is at the discretion of the Administration. Incident is formally recorded on schools and department systems.

For continual unacceptable or serious breaches of behaviour. In school suspension is at the discretion of the Administration. Incident is formally recorded on school and department system.

Parents

You will be notified of your child’s behaviour when serious breaches of the school or class rooms have occurred.

We encourage you to discuss the identified behavioural issue with your child using the steps listed. Please assist them to determine what they can do to improve their behaviour.

CLASS BEHAVIOUR MANAGEMENT

Level 1

For repeated breaches of school or class rules. Child is withdrawn from playground to complete detention for a period of time. Incident is formally recorded on school system. A blue Detention slip will be sent home with the child to be signed by the parent and returned to admin.

For repeated breaches of school or class rules. Child is withdrawn to another class for a period of time. Parents are notified by the classroom teacher.

DETENTION

Office

WITHDRAWAL

FOR IMMEDIATE REMOVAL FROM CLASS OR PLAYGROUND FOLLOWED BY DETENTION OR SUSPENSION AT THE DISCRETION OF THE ADMINISTRATION.

RED

(Passport Yr 5, Yr 6)

ORANGE

GREEN

All students start on Green

Formal Warning – Child is informed of their breach of behaviour and the consequences e.g. timeout. Students have the opportunity to ‘fix behaviour’ and move back to green.

Child receives verbal warnings before being placed on Orange. Child is informed that they will move to next level if they do not make “good choices”.
