Room 7 Assembly

Room 7 will be hosting tomorrow's assembly.
Parents, friends and relatives are all invited to attend.

Interschool Athletics Carnival

On Friday 16 September, Illawarra PS students competed in the interschool athletics carnival at South Ballajura Primary School. All children demonstrated exemplary sportsmanship and displayed excellent behaviour throughout the entire carnival. The team games were hard fought affairs with many close finishes and Illawarra did exceptionally well in all events. Illawarra finished third in the Outright shield and won the Handicap shield.

All participants are to be congratulated for the manner in which they represented Illawarra Primary School.

Correction to Athletics Carnival results.

There was a draw for the Champion Year 2 boy. Congratulations to Zack Fairhead who tied with Elijah Daniel.

Booklists 2017

Booklists for 2017 will be distributed early next term. There is a slight change to the way booklists can be collected. Rather than pick up the completed order from our school later this year, our supplier, Champion Education, will operate a collection day from **Ballajura Community College on Wednesday 25 January** between 12 and 7pm. As with previous years, booklists can still be ordered directly on line and forwarded to your home. Many families already choose this option. If you choose to order through the school this service still operates. Further information will be forwarded next term.

Lost Property

Please note that the lost property basket will be emptied tomorrow afternoon. Some items will be recycled. Clothing that is labelled with children's names will be returned to them.

Staff Car Park

While the majority of family's respect our request not to use the staff car park as a drop off point for children, there are still some families who choose to ignore this request. Kiss and Drive is available each morning and afternoon and there is ample parking in the parent car park. Once again, we kindly request that parents do not use the staff car park to drop off or pick up their children.

Stationery Replacement

Parents are asked to check their child's stationery supplies and replenish necessary items during the holiday break. It is important that your child has the full complement of items. Glue sticks, coloured pencils and HB pencils are consumable and do require replacement throughout the year. It is appreciated if these items can be supplied and clearly labelled for the commencement of term 4.

Animals at School

Families are reminded that pets are not to be brought to school. If you have organised with your classroom teacher to show your pet for "news" this is acceptable, however walking your dog through the school grounds is not an acceptable option. Thank you for your compliance.

Milk Monday

While many students took the opportunity to have free milk each Monday during third term, this offer has now ceased.

Head Lice

Please use the holiday break to ensure that your child is free from head lice and their eggs. It is equally important to remove the eggs from the hair strand as it is to kill the live lice. If the eggs are left attached, they can hatch and so the process continues. Please note that there are several approaches to the treatment of head lice, not all involving commercially produced products. For more information please check the health department website. www.health.wa.gov.au/headlice

From the P&C School Banking

The school banking competition is now closed and winners will be announced at the assembly on Friday. Thanks to everyone who entered, there are some really great pieces of work! If anyone has misplaced their deposit book, these are replaceable, so please don't let this stop you from banking. Can I **please** remind everyone to make sure deposit books are being filled out with Student ID number, name and the amount of money being deposited, ensuring the amount on the deposit slip matches the amount of money in the book and in Australian currency. If using the drop box, this is essential, as well as room number for returning books. Enjoy the holidays, I look forward to seeing everyone **first day of Term 4, Tuesday, October 11 2016.**
