TERM 2

NEWSLETTER No. 9 Week 8

From the Principal

Michael King

Disco
A big thankyou to our P&C for their organisation of the disco last Friday night. Children enjoyed dancing and singing, accessing the photo booth and generally socialising with their friends. The success of an event is only as successful as its organisation. Thank you. Funds raised were in excess of \$1200.00

Phones at school

Students are reminded that any phones bought to school must be stored away in the teacher's cupboard and returned at the end of the day. Students using phones during the day will have them confiscated and parents asked to collect them from administration.

Toys/Cards

Students are reminded that items bought from home (including fidget spinners, pokemon/marvel cards etc) are to be locked away during class time. They cannot be traded with other students. Students choosing to ignore these rules run the risk of losing them.

Ballanjarra Choirfest - June 21st - Ballajura Community College

The Year 6 Performance Group will be attending BCC next week, 21st June, for the annual Ballanjarra Choirfest. The students have been working very hard towards perfecting their item. The concert commences at 1.00pm in the School Gym and is open for anyone to attend. If you are free and would like to be entertained by the students from different schools in our area, please come along. It would be great to have some Illawarra parents in the audience.

RINGWORM

From time to time children and adults contract a common fungal infection known as Ringworm. The Department of Health guidelines are for the person/child to be excluded from school/work until anti-fungal treatment has been received for 24 hours. Ringworm is highly contagious and regular washing of hands and not touching/scratching the infected area will assist in minimising the spread of this fungal infection. If you suspect your child has a ringworm infection please take them to your family doctor for correct diagnosis. Further information is available:
